

Norfolk Broads

Britain's magical waterland

Barnes Brinkcraft
Luxury Cruiser and Shore based Holidays 2012

Welcome to The Norfolk Broads...

Without a doubt, the most magical way to discover the Broads is by boat. The waterways of the Broads are safe and easy to navigate, with over 125 tranquil, lock-free miles to explore. So much of the Broads can't be reached by road. That days – and nights – afloat become a real adventure, with hidden places, perfect fishing spots and close encounters with wildlife at every turn. The famous Broads motor cruisers have

been holiday favourites since the 1930s, and today's boats have all the comforts of home on board. If you prefer to visit during the quieter, cooler months, you'll have a cosy base for your explorations, with fresh air, sparkling water and wide horizons by day, and wonderfully dark, starry nights. A boating holiday on the Broads is an unforgettable experience.

Waterside Inns, country pubs and fine

On a Broads boating holiday you can experience everything from fine dining at the many first class restaurants, great local farye at the myriad of waterside inns and gastro pubs nearby to deliciously 'fresh-today' fish and chips.

Norfolk and Suffolk have some fantastic local produce, which you'll see featured on menus, in the local shops and temptingly displayed on market stalls.

Delicious fresh seafood is landed daily at Great Yarmouth and the busy fishing port of Lowestoft plus beef cattle graze the Broads marshes in summer, To accompany it, there's Norfolk cider, Suffolk-grown white wine, or a pint from one of the distinctive local breweries, a treat for real ale hunters.

...and a short hop

Wherever you are in the Broads, it's just a short hop to the coast and some of the UK's finest beaches, whether it's the secluded dunes of Winterton or all the bustle and fun of Great Yarmouth. Easily within reach, too, are the big skies and fantastic beaches of North Norfolk, and Suffolk's charming Heritage Coast.

Inland, the fine cathedral city of Norwich beckons, with its famous castle, huge daily market and great restaurants and shopping. Check out street food stalls and hunt down bargains in the market, or explore the city's antiques shops and vintage stores, its thriving arts scene and fantastic programmes of holiday events for children and adults.

Normich Market

A scenic view of a wetland area, likely the Broads in England. In the background, a traditional wooden windmill stands on a grassy bank. The foreground is dominated by tall, golden-brown reeds and grasses that frame a calm body of water. The water reflects the sky and the surrounding vegetation. The overall atmosphere is peaceful and natural.

A wildlife paradise

There's no better place than the Broads to get up close to some of England's best loved and most spectacular wildlife. The Broads boast booming bitterns, playful otters and darting kingfishers, native white waterlilies and rare fen orchids. This is the only place to see one of Britain's largest, rarest and most beautiful butterflies, the swallowtail. The reeds are filled with birdsong, while overhead, marsh harriers, hobbies and barn owls quarter the skies. Spring and autumn bring hosts of migrant birds, and huge flocks of waders and waterfowl spend the winter here. An internationally important wetland, the Broads is a member of the National Park family, and includes some of Europe's most special nature reserves, with no fewer than 28 Sites of Special Scientific Interest.

Ponies enjoying Autumn in Broadland

People and nature

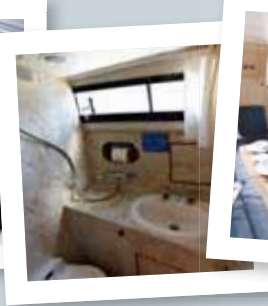

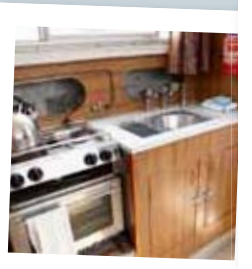

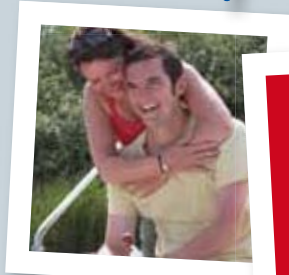

This is a timeless, tranquil landscape, dotted with sparkling lakes, reed-fringed channels and the iconic Broads windmills. Testament to the generations past that drained the fen and marsh to create our farmlands and beautiful waterways.

We take climate change and the environment seriously here – the very fabric of this special landscape and the local communities it supports depends on preserving the balance between the needs of people and nature.

We're finding new ways to reduce our footprint, keep our waters clean and set up sustainable initiatives throughout the Broads. We ask all our visitors to respect the environment so that future generations can enjoy this unique and magical waterland.

Everything you need to know about your

CHOOSING THE RIGHT BOAT FOR YOUR FAMILY/PARTY

We have a superb range of 36 types of boat to suit all tastes and pockets.

Every cruiser has modern facilities including warm air heating throughout and offer a good view of the countryside. Most have a sunroof, sliding canopies or sun deck for sunbathing, eating alfresco or simply watching the world serenely drift by.

SINGLE LEVEL BOATS

Some of our boats have single level throughout and are suitable for people with limited mobility.

NEVER HANDLED A CRUISING BOAT BEFORE?

Don't worry, we'll give you full instructions including understanding river etiquette before you leave the boatyard.

There's also an excellent short DVD, 'Cruising with Confidence' which you can order for £5.50 (including postage) when making your booking.

SAFETY IS PARAMOUNT

Safety is top of our agenda and every boat comes with buoyancy aids. We'll show you how to fit them and we recommend they're used, especially for all children and even your dog.

WHAT YOU CAN EXPECT TO FIND IN THE GALLEY

Each boat has a well-equipped galley (kitchen) with work surfaces, a sink, cooker, cupboards and a refrigerator.

There is a full range of cutlery, crockery, glass-ware, saucepans, and cooking utensils. In fact, as with all good boat design, it is amazing how efficiently the space is used.

SALOON (LIVING ROOM)

The saloon varies from boat to boat but in the main offers an eating area with comfortable seating and warm air heating.

BERTHS (SLEEPING ACCOMMODATION)

When a boat says it sleeps 8 - 12 people the first figure is the number of fixed beds on the boat. The second number denotes that extra beds can be converted from the various seating arrangements.

Bed linen, sheets, duvets pillows and blankets are all included but you will need to bring your own towels.

BOAT PLANS GIVE YOU A GREAT IDEA OF HOW MUCH SPACE EACH BOAT HAS

Each boat has an illustration showing the layout. This designed to assist you in choosing the right boat for your needs. However, for a more detailed view, every boat has a **360° VIRTUAL TOUR** available on our website: www.barnesbrinkcraft.co.uk

BATHROOM, SHOWERING AND TOILET FACILITIES

Depending on the size of the boat, you will find one, two or even three bathrooms with toilet, shower and in some cases a bath.

Every boat has a hair dryer. All boats have large water tanks with a generous supply of hot and cold water. Please note you will need to bring your own towels.

ON-BOARD ENTERTAINMENT (TELEVISION, CD, RADIO)

Every boat has a TV so no need to miss Eastenders or XFactor. Many also have Radio and or DVD's.

PHONES, MP3 PLAYERS & ELECTRICAL APPLIANCES

Boats with a 240v power inverter accept regular plugs otherwise you'll need a cigar lighter style 12v car charger.

'home from home'

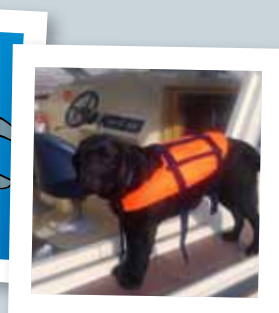

'EASY' MOORING USING BOW THRUSTERS

Bow thrusters will bring your bow or stern around without moving forward or backwards. Not essential but a very useful addition to help you moor your boat when space is a premium.

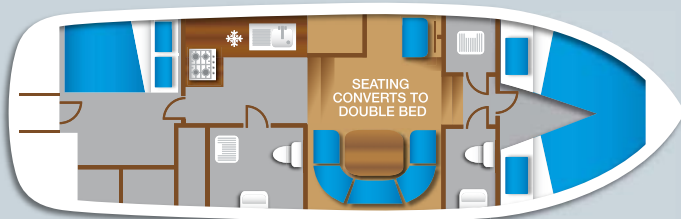

WHAT DO I DO IF MY ENGINE BREAKS DOWN

We're just a phone call away and if advice is not enough we can meet you if additional support is required. In the unlikely event that you have an emergency we offer 24/7 Assistance.

NO BOARDING KENNELS THIS TIME... ALL ABOARD!

No need to leave your best friend behind as pets are welcome on board. With plenty of opportunity to moor up and let them stretch their legs.

Which cruiser?

Barnes Brinkcraft has a superb range of 36 types of boat, with something to suit every taste and pocket. All boats offer a good view of the countryside, most have sunroof, sliding canopies or sun deck for sunbathing, eating alfresco or watching the world go by.

Size is important Choose a boat to comfortably accommodate all of your crew. The description of each boat includes sleeping capacity and dimensions.

Special requirements It is also important to choose the right boat for people with special needs. A low single level craft with easy access is vital for those with limited mobility.

Equipment on board While the layout of each boat can vary, each one has Colour TV, CD/Radio, Hair Dryer, Warm Air Heating, Cooker, Fridge, Fully Equipped Galley plus Bed Linen: Sheets/ Duet/Pillows and Blankets as standard. (Towels are not included) additional equipment is listed with each boat.

Seasonal Hire Cost Hire charges are dependant on the time of year, which are indicated by letter codes A to G. You will see these codes alongside the pricing.

Choosing your boating holiday

★★★★★

What to look for

The first step is to identify a cruiser that suits your needs and can accommodate your group. Each boat features along side its name it's **star rating** and the **number** the boat sleeps (berths).

The star rating has been awarded by **The English Tourism Council** and reflects the facilities the boat offers. Generally speaking the more stars the newer the boat and the level of facilities but this is not always the case.

Number of berths

In most cases the number of berths has a range. The first number denotes how many fixed berths with the second indicating the maximum beds once seating has been converted into berths.

Need additional information?

You will find lots more information and useful facilities on our website which you can access 24/7 but feel free to give us a call (working hours) if you can't find what you're looking for. **01603 782625**

It's easier to choose and book online

We have tried to make this brochure as comprehensive as possible but in reality there is a limit to the amount of information we can include. We therefore recommend that you visit our website (or give us a call on 01603 782625) where you will find all sorts of useful facilities and additional information to help you find the holiday that's perfect for you and your family/group.

360° Virtual Tours of each boat

Virtual Tours will give you a better idea of what each boat has to offer.

Second week discounts

Save with a second week discount. Save between 10% to 50% off second and additional consecutive week (on the same cruiser)

Second holiday discounts

Book a second holiday in the same year and receive a saving of up to 10% and a free bottle of bubbly on arrival.

Fuel Deposits

A fuel deposit is required on all hire cruisers. The amount is calculated on the size of the boat and the level of facilities on board. This amount is not for the full value of the tank merely an estimate of what we feel that craft may use on your holiday. This means that on your return you may be entitled to a refund or you may owe for additional fuel used. This is based on the calculations of the current cost of fuel and this may mean that if the cost of fuel increases and the level of the refund or the amount owed to us may change.

Damage waiver

A non refundable damage waiver is charged on all hire craft bookings to cover you against accidental damage to the craft whilst you are on holiday. This frees the hirer of any liability for accidental damage to the boat, its fittings, or loss of its equipment. It does not cover for damage or losses caused by negligence on the part of the hirer, or return of the boat in an unclean condition, which may incur an extra charge.

Payment of Balance

Please note that the balance of hire terms and any extra charges and deposits should be paid 70 days (10 weeks) in advance of your holiday start date unless otherwise stated on the booking confirmation. Receipts are issued to all customers.

Cancellation Protection (incl in brochure price)

Cover is obligatory and is automatically provided against loss of your deposit and liability to pay the balance of hire charges if you have to cancel or curtail your holiday for certain unavoidable reasons. This small payment is included in the

brochure price and is paid with your deposit in your initial payment. For full details on the cancellation insurance see our terms and conditions on our website.

Security deposits

All single sex, young groups and parties higher than average risk will be subject to a refundable security deposit (as long as the cruiser/property is returned on time, clean and tidy and with no damage to the cruiser/property or its equipment).

Payments types

There is no charge on any payment made by credit card, and we accept all debit cards. Please note that we do not accept American Express or Diners Club cards.

Holiday bookings 2012 onwards

All 2012 advance bookings made before 31st December 2011 will receive a 5% discount off the 2012 brochure price based on the hire terms only, extras are not subject to the discount.

Brochure Prices

All prices shown in our 2012 brochure are in pounds (£) sterling.

Our 2012 Holiday Boats and Homes brochure is prepared many months in advance of the holiday season to which it relates, so changes may be made to the information contained in it. If any significant changes occur before you have booked, we will endeavour to tell you at the time of booking or pass on the necessary information to you.
